1. To register for classes sign into your student center and select the enroll link.

2. Select a term.
3. Click Search to find a class by subject or enter the class number.

4. To search by subject enter the class search criteria and click the search button.
5. Select a course from the list of available classes.

6. Confirm you want to add the class and click Next.
7. The class is now in your Shopping Cart. Continue to step 2.

8. Confirm the class and click on Finish Enrolling.
9. Verify that your enrollment status is successful. Make sure to print your class schedule to confirm the class has been added.
