

# Math Placement and Progression

Category 1	Category 2	Category 3	Category 4	Category 5
------------	------------	------------	------------	------------

Meets Disciplinary Lens requirement.

See reverse for information on placement and accelerated math paths

## Math Placement

Your highest test score to date will always be used.

Category	ACT Math Score	SAT Math Score	Accuplacer Math Score	Eligible Courses
1	<18	<430	< 244 (QAS)	MATH 15, 25, or other based on score.
2	18-22	430-530	244 (QAS)	MATH 108, 123
3	23-26	540-610	256 (QAS)	MATH 143, 147, 157, 254
4	27-28	620-640	254 (AAF)	MATH 144, 160, 187
5	29	650	268 (AAF)	MATH 170

## Accelerated Math Paths

To expedite your math path these math combinations are offered.

Course	Credits/Weeks	&	Course	Credits/Weeks	Note
MATH 25	3 credits/8 weeks	&	MATH 108	3 credits/8 weeks	Permission number needed.
MATH 108	3 credits/8 weeks	&	MATH 143	3 credits/8 weeks	Permission number needed.
MATH 143	3 credits/16 weeks	&	MATH 144	2 credits/16 weeks	No permission number needed.
MATH 144	2 credits/16 weeks	&	MATH 170	4 credits/16 weeks	Permission number needed.

## Note

1. You may use test scores or complete a pre-requisite course for placement.
2. You do not need to take the most advanced class for which you qualify, but you need to complete the appropriate math path for your major—see your catalog.
3. MATH 15 and MATH 25 do not count as credits toward graduation, but they do count as 3 credits each toward full-time status for financial aid/fee payment purposes.
4. Your department may recommend a specific math path. Check with your advisor.
